## Registration

You will receive your race number and start time via email in the week beginning 17th July; this is the only information you will need when you register. Registration will take place in Markeaton Park inside the Athlete Registration tent in the Event Village. You may need to sign a consent form regarding your child/children being photographed as part of the event.

You can register on

- **Saturday 22<sup>nd</sup> July between 2pm and 6pm** or on
- **Sunday 23<sup>rd</sup> July between 8.30am and 10am.**

We would recommend that you pick your race pack up on Saturday afternoon; this will give yourself plenty of time on Sunday morning to arrive at the park, take in your surroundings, get your kit ready and prepare for the race. You can

park in the general car park off Markeaton Island on the A38 and walk into the park towards the Event Village. **There is a car parking charge for this car park of £2 for up to two hours.**

If you are registering on race morning you can park in any of the official car parks. Please allow yourself at least an hour to collect your race pack, rack your bike and familiarise yourself with transition layout.

### **Race Pack**

Your race pack will include a swim hat, a race number, a wristband and stickers for your bike and your helmet.

Please pin your number to the front of your race kit so it can be seen on the run. Please write any medical conditions you have on the reverse of your race number. You may use a number belt if you have one.

Please wear your wristband at all times during the day so that you can get in and out of transition easily.

### **Baggage**

There is limited space for storing baggage in the Athlete Registration tent. Please ensure any bags are clearly marked with your name/race number on it. We cannot take responsibility for any bags left in the tent.

### **Transition**

The transition area will be located in the area adjacent to the lake. Only competitors will be allowed into the transition area. You must enter through the competitor entry opening and you will need to display your race number and wristband. Please also have your helmet fastened.

Bike racking for the JBT family Triathlon will be in the end of transition nearest to the entry opening.

From transition there will be various exits for the run and cycle section of the event. Please familiarise yourself with transition so that you know where you are going once the race starts.

Before you start your race you must set up your bike, cycling and running equipment/clothing in transition. Keep it simple – you will only really need bike, helmet, footwear and race numbers.

The transition area will be in constant use with competitors racking and collecting their bikes at various times. Please be aware of other competitors at all times. Transition operates a one way system so please look out for the direction signs and marshals are also on hand to guide you.

**CHILDREN WILL BE ABLE TO RACK BIKES FROM 10.00AM ONWARDS. PLEASE DO NOT RACK BEFORE THEN EXCEPT IF YOUR ACCOMPANYING ADULT IS PARTICIPATING IN THE JENSON BUTTON TRUST TRIATHLON.**
